श्रुतियुक्त कीजिये कि आप सही राह पर हैं, सही दिशा में बढ़ रहे हैं, बजाय सही रफ्तार के क्योंकि महान कार्यों के परिणाम आज - कल में प्राप्त नहीं हो जाते, इसलिए जीवन में कदम - कदम बढ़ते जाने में संतोष करना चाहिये।

Ensure that you are on the right path and on the right direction, rather than the speed towards goals.
Success is never a result of a day's work. Gratification should be in small & satisfactory steps.

CHAIRPERSON

I very sincerely thank God for his divine care and blessings throughout the year.

We have accomplished another session and it's a feather in everyone's cap because it's not a person alone who has achieved it but it's a team work. You all must have seen a kite which is supported by a thread attached to it. Our parents, Teachers and near and dear ones are like that thread and they help you in maintaining your position high and they help you in the sky for long, it loses its control, and falls down. So never break the thread i.e bond of love with your family, teachers and friends. B.R.B Model school, is about to touch its zenith, by conducting several activities to enhance the talents and skill of students. We focus on their all round developments which can easily be seen as our students have always won many awards and have brought awards to our college.

B.R.B management has gone a step further in facilitating yet one feather to its cap, by providing an indoor swimming pool, an Audi Badminton court, and a hall for conference and for activity as per the C.B.S.E norms. We are trying to give our students all the facilities for an overall growth of a student. Let us join hands and march together for our children to imbibe the best of life.

Thank You
